**2. Extracurricular Activity Arrangements for Secondary 6 Students (2026–2027 Academic Year)**

In accordance with the school's extracurricular activity and learning arrangements, Secondary 6 students should now enter a critical phase of revision and preparation. To free up more time for students to revise and prepare for the public examinations, the school, in principle, will not arrange for Secondary 6 students to represent the school in external competitions or related training sessions. This is to help students focus more on their academic studies and better prepare for their future educational pathways.

Parents are also advised to discuss and set academic goals and plans with their children to prepare for further education. Should you have any enquiries, please feel free to contact the class teacher.

**3. Parent-Teacher Association (PTA) Communications**

(i) Candle Planet Workshop – please refer to Attachment 1.

(ii) Uniform Recycling Scheme – please refer to Attachment 2.

For enquiries, please contact the class teacher.
